Mother Esther's Foundation Announces Three-Day Small Business Networking Fundraiser

The Mother Esther's Foundation is excited to announce a three-day small business networking fundraiser set to take place from Friday, April 25, to Sunday, April 27, 2024. These events aim to bring together small business owners from various industries to foster collaboration, share resources, and support one another in their entrepreneurial journeys. The networking fundraisers will feature a series of engaging workshops, panel discussions with industry experts, and ample opportunities for attendees to connect with fellow small business owners. Participants will learn valuable strategies to enhance their businesses, discover new partnerships, and gain insights into the latest market trends.

"We understand the challenges small business owners face, especially in today's dynamic economic landscape," said Jesse, military veteran and Executive Director of Mother Esther's Foundation. This event is designed to create a supportive community where entrepreneurs can build relationships, share experiences, and ultimately drive their businesses forward." In addition to networking opportunities, the event will include a silent auction, with all proceeds going to support initiatives that empower local small businesses and entrepreneurs.

Attendees will have the chance to bid on a variety of items generously donated by local businesses and supporters of the foundation. Whether you are a seasoned entrepreneur or just starting your venture, this fundraiser presents a unique opportunity to connect with like-minded individuals, gain insights from industry leaders, and contribute to the growth of the small business community.

Event Details:

Dates: Friday, April 25 – Sunday, April 27, 2024

Please review included flyer for exact locations for each date.

Registration: Visit our website at WealthWeekendEvent.com to register and learn more about the event. Join us for an inspiring weekend of networking, learning, and fundraising.
